

Comunitat Autònoma / Departament / Estat	MALTA
Municipi	FLORIANA
Edifici	St. Publius
Direcció	
Coordenadess	35.893333 14.505833
	
Descripció	<p>Originally designed by Guiseppe Bonnici in 1733, this is the last important parish church built by the Order. The entire structure was rebuilt after the destruction by the Axis bombing.</p> <p>The portico and its two tall bell towers were added in 1882 to a design by Dr. Nicola Zammit, who was also responsible for the new facade at St Nicholas Siggiewi.</p>
